Make The Commonweal Available in Your Parish!

The Commonweal is edited by journalists who are Catholics. The magazine is primarily concerned with the temporal order, the specific province of the layman, and it is published for those who are seriously interested in making their thinking on temporal questions conform to their spiritual commitments.

As Catholics, the editors of The Commonweal look for guidance to the social and political principles which are to be found in the papal encyclicals. Obviously, these are general principles and not specific directions. How to apply these principles with wisdom and political prudence is a subject upon which Catholics will properly disagree. But it has been our contention that the principles are not meant to be wrapped up in pretty words and then put aside. Some applications are obvious.

To make more widely available the comment on current issues presented each week in the only national weekly journal of opinion edited by Catholic laymen, The Commonweal has a special church door plan. This arrangement is simple, economical and convenient.

Special discounts on the single copy price of 25 cents on bundle orders for church door sale and parish study groups.

Billing at the rate of only 16 cents a copy every three months. Unsold copies need not be paid for or returned but are deducted before remitting at this wholesale rate.

3 to 6 copies each week make a good start. Orders may be increased or decreased, or terminated, at any time.

Make copies of The Commonweal available at your parish rack or distribution center by sending your consignment order to:
